DECLARATION, AMENDMENT AND RESPONSE

Dear Sir,

Applicants hereby request a continuation examination of the above-identified application commensurate with 37 CFR 1.114.

Additionally, the following is an amendment and response to the Examiner's office action dated June 20, 2006. This response is timely filed within the six month period of response. A three month extension of time is respectfully requested.

This response includes a 132 Declaration from the above-named lead inventor that overcomes the Examiner's rejections based on the prior art.

The Commissioner is hereby authorized to charge all fees pertaining to the filing of the Request for Continued Examination, a three month extension of time, and any other fees due in connection with the filing of this paper, or credit any overpayment, to U.S. Army Medical Research and Materiel Command Deposit Account No. 210380.

The listing of the **Claims** begins on page 3.

The **Response** to the Examiner's office action begins on page 12.

The **132 Declaration** follows the Response as Attachment A and incorporates separate page numbers.
